## Behaviour and Personal Development Notices

- Ramadhaan Programme - As we have now entered the month of Ramadhaan, a comprehensive programme has been implemented to nurture the spirituality of our pupils.
  In school, pupils have six spiritual activities embedded into their daily schedule which include recitation of the Quran, the Ramadhaan Reminder, Dhikr, Durood, Nasheeds & Dua.
  All pupils have also been given a booklet to support their spirituality at home. It allows pupils to track their daily prayers & taraweeh, provides a framework for them to memorise Surah Mulk during Ramadhaan, encourages them to perform an act of kindness every day and even recommends Sunnah recipes and daily mental and physical health activites.
  Please can all parents encourage their son to make full use of the Ramadhaan booklet.

- Sexual Abuse - You will have read in the news that the government has launched a review into sexual abuse in schools. If you would like further information on online sexual abuse and how you can support your child, please click on the link below:
