

# PARENT SHURA

Partnerships between parents, school and children enhance children's success

We know that children learn more and have better lives when everyone in the school community works together to share thoughts and information and work on projects to benefit our children. The Parent Shura aims to **host programs that benefit the children** at our school. Developing parent partnership through the Shura can help us to meet a number of long term ambitions including improved punctuality, attendance and behaviour, improved progress, increased parental involvement in events and learning activities.
