

31 January 2019

Dear Parent/Carer,

Assalaamu Alaikum (Peace be Upon You)

RE: Year 11 Maths Intervention

I would like to thank you for your co-operation and support with our intervention strategies this year. All our intervention strategies have a specific around pupil progress to ensure that your son can achieve the best possible results. For your son, it will allow him to get back on track with his GCSE Maths.

All pupils in Year 11 recently sat their Mock exams; after analysing the data, we have forecasted that your son is not currently fulfilling his potential. Therefore, your son requires further support in ensuring that he makes the expected progress. The intervention is in addition to what he already has in school will be delivered by fully qualified teaching staff on Saturday's.

We are aiming for the sessions to run from **Saturday 9th February 2019 until Saturday 1st June 2019 (see the attached schedule)**. There will be twelve sessions. The duration of each session is 1 hour 30 minutes.

We invite you and your son to a meeting on **Tuesday 5th February 2019 at 17:15 at Tauheedul Boys** for further information. The school is making a significant investment in this intervention programme. We are not expecting parents to contribute towards the costs, like previous years, however; we will be taking a fully refundable deposit. Further details around the deposit and intervention programme will be discussed at the meeting on Tuesday 5th February 2019.

Please note there is limited capacity for the intervention programme. Your son is only one of a few pupils selected to be part of the intervention programme and I am hopeful that you will appreciate the importance and benefit this programme will have.

I would like to end this letter by thanking you for your continued support of the school and a request for your Duaas (prayer). Ameen (Amen)

Yours faithfully,

Ahmed Patel

Director of Learning: Maths
