Dear Parent / Carer, Assalaamu 'Alaikum (Peace Be With You)

Re: NCS (Yr 10)

We are very pleased to inform you that TIBHS is in the fortunate position once again to be able to offer the **National Citizen Service Progamme** (NCS - https://www.ncsyes.co.uk/) for Yr 10 students. Traditionally, this has been open to Yr 11 students in the summer, once they have left school after their GCSE exams. However, subject to the success of this pilot scheme last year, the government is again offering this opportunity to Yr 10 students and, as a school, we feel this is an opportunity not to be missed! Through the 3 phases of the programme, you son will have the opportunity to develop the STAR values (**Service – Teamwork – Ambition – Respect**), their confidence, knowledge and skills through a variety of fun and engaging activities.

Also, each element of the NCS programme would count towards the Tauheedul Baccalaureate (TBacc) which each student is now working towards and details of which have been previously communicated. Your son has the opportunity to take up this offer but will be offered on a first come first served basis. The programme which is **free of charge** would entail the following;

- **Phase 1**: a 4 day & 3 night residential at Kingswood Dukeshouse Wood (Thurs 26 Sep – Sun 29 Sep (inc). During the residential your son will engage in various challenges and activities and he will come back with memories for life!
- **Phase 2**: a number of session with the aim of further developing life skills like confidence, leadership and communication skills whilst developing a social action project. These will take place on a Fri afternoon.
- **Phase 3**: This is where your son's NCS experience all comes together. All the fun and inspiration from the first two phases mean he will be ready to step up and, as part of a team, deliver the social action project - plan; fundraise; make a difference! This will be delivered before the end of Dec 2019.

This really is an exciting opportunity and we hope you will agree to support your son to develop his skills, his character, to make a difference, have some fun and make some lasting memories! If you have any queries, please do not hesitate to contact the school. In the meantime, please see sign and return the reply slip to your son's Head of Year (Mr. Ali) in order to have a chance of reserving a place. **Remember – this is on a first come first served basis**.

Yours faithfully,

Hussain Hassan - Assistant Principal
