

Tauheedul Boys

23<sup>rd</sup> October 2019

Dear parent/carer,

Assalamu 'Alaikum (Peace be with you)

I write to you with an update on our transition to our new site on Sumner St, with particular reference to pupil behaviour and attitudes.

Through the grace of the Almighty, we have now successfully completed the initial process of our pupil transition to the Sumner St site and I am pleased to inform you that our young men have really graced the building with a world-class attitude of respect and zeal for learning.

Our move into the new building was an opportunity for staff and pupils to create a unique environment that would set the standard of behaviour at TIBHS for years to come. As trailblazers, each member of our school community had the responsibility to create an environment that would be adopted by those who follow. As such, the focus of our efforts has been to re-instil an attitude in which our pupils display a love for learning, respect for their surroundings and reverence for those around them. We have used this opportunity to remind ourselves of our STAR values of Service, Teamwork, Ambition and Respect.

Over the past seven weeks, our young men have risen to the challenge and demonstrated their willingness to work as a team and to ensure they are doing the right thing, at the right time. For this, I would like to congratulate and thank our pupil cohort, as well as our parents for their support and commitment towards ensuring we have a successful start to our journey in the new building.

Moving ahead into Autumn 2, I would like to request our pupils and parents continue with the same commitment in upholding our standards and expectations so that each young man can flourish and be the best they can be.

I conclude by requesting our stakeholders to continue with their prayers for the school.

Yours faithfully

(Moulana) Usman Kothia

Associate Assistant Principal
