

Catch-Up Premium Funding Report

2018/19 and 2019/20

Name of School	Tauheedul Islam Boys' High School
-----------------------	--

This statement is updated in October and February of each year, following the publication of the league tables. The next update will be in October 2020.

The literacy and numeracy Catch-up Premium provides schools with additional funding to support Year 7 pupils who did not achieve the national expectation in reading and/or mathematics at the end of Key Stage 2.

How much funding did the school receive in 2018/19 for catch up premium and how many pupils was this intended to support?

For the Catch Up Premium, the school received £5,546.00 for 2018/19. This reflects the number of Year 7 pupils who have not achieved the national expectation in reading and /or Mathematics before leaving primary school.

What did the school spend it on?

Area of spend	2018/19
Intervention	£1,500.00
Learning support assistants	£2,233.00
Performance Review Meetings – Year 7	£315.00
Performance Review Meetings – Year 8	£373.00
Performance Review Meetings – Year 9	£345.00
Performance Review Meetings – Year 10	£430.00
Performance Review Meetings – Year 11	£350.00
Total spend	£5,546.00

What were the reasons for these spending decisions?

Using the Pupil Premium funds, the school aims to:

- Maximise the % of pupils with low prior attainment who achieve a 'standard pass' in English and Mathematics. Nationally, only 7% of such pupils achieve a 'standard pass' in both English and Mathematics.
- Maximise the % of pupils with low prior attainment who participate fully in the subjects needed for the English Baccalaureate and who go on to achieve the English Baccalaureate. Nationally, only around 1% of such pupils achieve the English Baccalaureate.

The School's spending decisions on the Catch Up Premium Funding are intended to:

- Enable with low prior attainment to 'close the gap' in their performance in English and Mathematics through:
 - ✓ Small group intervention, delivered by teachers.

- ✓ Smaller class sizes, through additional teachers in English and Mathematics.
- ✓ Support in lessons, through the deployment of support staff in English and Mathematics.
- ✓ Regular performance review meetings with parent/carers if their child is underperforming.
- Raise aspirations and ambition in disadvantaged pupils through:
 - ✓ Access to careers' marketing event, guidance and mentors.
 - ✓ Mentoring and nurturing via senior leaders and peer mentors.

What strategies have been used to monitor and evaluate the impact of Year 7

Catch-up premium funding?

- To monitor and evaluate the impact of pupil premium funding, the school:
 - Increases the amount of time that pupils read and are listened to while reading.
 - Formally assesses pupils in each subject at least once every half-term.
 - Closely tracks and analyses the progress of pupils on a half-termly basis.
 - Reports to the Trust Central Office and the Local Governing Body regularly on the performance of disadvantaged pupils.

What difference did the use of literacy and numeracy Catch-up funding make to outcomes for Year 7 pupils supported in 2018/19?

Year 7 Indicator	Full Cohort	Catch Up Premium Pupils
Meet Target in English	43%	30%
Meet Target in Mathematics	59%	40%

- The data also shows that 'Catch Up Premium' pupils in Year 7:
 - ✓ Performed below the whole year group in English – but similar to targeted pupils in English last year and the year before.
 - ✓ Performed below the whole year group in Mathematics – but similar to targeted pupils in Maths last year and the year before.
